the Nashville Athletic team. It was
in progress when we went to press.
Another game will be played at 3

by a big crowd. The local line-up
is as follows, Paschal, s. s., Barlow,

WITHOUT EXAMINATION

Graduates of Hopkinsville
High School May Enter
State College.

The State College of Kentucky,
through its President, Prof. Jas. K.
Patterson, has notified Superintendent
J. B. Taylor that the Hopkinsville
High School has been made an
"affiliated school" of the State
College, and its graduates will be
admitted to the college without
examination and entered in the
freshman class at the opening of the next
fall term. A certificate from Prof.
Taylor is the only requirement.
This puts the Hopkinsville schools
on the very highest plane with the
best public schools in the State.

CONFEDERATE FLAGS.

Many of Them Cannot Be
Identified.

The War Department has met
with an unexpected obstacle in the
distribution to their respective owners
of the Confederate flags captured in
the Civil War. It is found
that many of the flags cannot be
identified. This is because they
were turned over to the department
at the end of the war without any
record of where they were captured.
All or them are tattered and worn
from age and service.

A question has arisen whether the
department shall retain these unidentified
flags or turn them over to some depository for Confederate
relics.

were married in this county about
fourteen years ago, and separated in
1901, according to the petition. A
Louisville law firm and Breathitt &

The Weather.

Washington, D. C., April 28.—For Kentucky: Unsettled with showers tonight, and probably Saturday. Slightly warmer tonight in central and eastern portions.

President Roosevelt will break camp in Colorado May 8 and start for Washington, to look into the Venezuelan embroil.

The Democratic senatorial district committee will meet at Madisonville next Monday to take action in the matter of nominating a candidate for senator in the sixth district.

Wm. A. Evans, assistant postmaster of Louisville, has resigned as Republican State central committee man from the Fifth district, pursuant to orders from the Postmaster General. At a special meeting of the district committee Judge Geo. On Relle was elected to fill the vacancy.

Miss Mary C. Slaughter, of Bowling Green, Ky., and James C. Murrell, of Fort Mackenzie, Wyo., were married by telegraph, the bride and a preacher being at one end of the line, while the groom and a preacher were at the other end. Mrs. Murrell will at once join her husband and go with his regiment to the Philippines. This novel method is not likely to come into general use. The electric spark, however, is not altogether inappropriate, considering the amount of sparkling done in the average courtship.

Raised 10 Per Cent.

Messrs. W. T. Tandy, Jas. West, O. H. Anderson and R. A. Cook have returned from Frankfort, where they went to get the 20 per cent. increase on farm lands removed. The increase was placed at 10 per cent.

HARGIS DESPERATE

Makes an Impassioned Personal Appeal to Jury.

Lexington, Ky., April 28.—When Attorney Bronston had concluded his cross-examination of James Hargis at Lexington, the accused made a dramatic statement to the jury, claiming to be innocent of the charges against him. Hargis said to the jury: "I want to say to you twelve gentlemen that though I have been on the witness stand for over two days my attorneys have not asked me whether I was innocent or guilty of this charge. I want to say to you that I am innocent, and if I were guilty I would not ask that woman to call me husband or that child to call me father." The last part of the statement was made with both hands pointing to the wife and daughter of the accused, both of whom were sitting just back of the defense counsel.

King Ford, the principal witness for the defense, testified, and then Col. Allen for the prosecution produced a copy of an indictment against Ford, charging him with obtaining money by false pretenses in Lester county. A rule for contempt of court was issued against George Combs, Acting Judge of Breathitt county, charged with attempting to intimidate a State witness, and will be heard by Judge Parker.

UNTIMELY DEATH

Of Mrs. John T. Waller at Madisonville.

Mrs. Zena Glenn Waller, wife of Mr. John T. Waller, died at Madisonville Thursday morning of consumption. Two years ago she moved with her husband to St. Petersburg, Fla., but the mild climate of the South failed to arrest the dread disease and about a month ago her father, Prof. J. J. Glenn went to Florida and brought her home to die.

Mr. Waller remained a few days to close up his business and his return will be permanent. He will locate in this city. Mrs. Waller was married to her bereaved husband about five years ago. She was about 25 years old and leaves a little daughter 17 months of age. She was a member of the Baptist church and was a consistent Christian and most estimable lady. Her lovely character and goodness of heart made friends for her wherever she went and there is universal sadness over her untimely death, in both Hopkinsville and Madisonville.

The body was brought to this city yesterday and buried in Hopewell Cemetery. The funeral services were held at the Baptist church at 2 p. m. by Rev. Dr. Nash.

PARK IS SOLD
TO AMERICAN
SNUFF CO.

A Big Factory to Be Erected
on the Grounds In
Summer.

MOVE IS NECESSARY.

The New Park Will Be Located on Better Grounds on Virginia Street.

The American Snuff Company has bought from the Knight Brothers the grounds of the Hopkinsville Baseball Park, corner Railroad and 18th streets, and contemplate the erection of a \$25,000 factory. The price paid was \$3,500 and immediate possession will be given. The factory will be built this summer and work is expected to begin within six days.

The factory will be one of several large factories located here this spring and will be welcomed by our people.

The sale of the Park will put the Base Ball Association to the expense of moving the grand-stand and fencing to another lot on Virginia street, owned by the same parties.

The contract for the park covered the expected contingency. The new park will be a little further out, but located on much better grounds in every other way. The change can be made in a week or ten days, and will not be made for several weeks, as the new owners will allow the use of the old Park until they are ready to build.

LEASE OF L. & N.

Reported to Have Been Secured by Atlantic Coast Line.

New York, April 26.—It is reported that preliminary papers have been signed leasing the Louisville & Nashville Railroad to the Atlantic Coast Line, on a guarantee of 7 per cent on the Louisville & Nashville stock. The report has not been confirmed. Officials of the Atlantic Coast Line declined to talk concerning the reported guarantees on the Louisville & Nashville stock. The Louisville & Nashville now pays dividends at the rate of 6 per cent per annum, against 5 in the years 1901-1904 inclusive, 4 in 1900, 3 in 1899 and nothing in the five preceding years.

The Atlantic Coast Line purchased \$30,600,000 worth of the Louisville & Nashville's \$60,000,000 stock from J. P. Morgan & Co. in 1902. The purpose of guaranteeing a 7 per cent dividend has been reported in Wall street ever since Louisville's advance this season from 134 to 150.
